TRUESigner Credentials

Truecopy has a sender network of over 1000 educational institutions and over 3000 receivers that include universities and evaluation agencies worldwide.

Credentials Management System for Universities

- TRUESigner Credentials portal for applicants to apply for official transcripts.
- Credential requests are approved by a competent authority at the university.
- Applicant makes a selection of destinations online.
- Official electronic transcripts are delivered securely to the desired destination.
- This is a faster, easier and cheaper method to request delivery of transcripts.

Credentials Management System for Receivers

- Secure receiver portal with login credentials.
- Verified official transcripts of applicants delivered in the portal.
- Easy access and download of documents.
- Enables faster processing of documents.

Receivers in Truecopy's Network

- Over 3000 overseas universities from US, Europe and Asia.
- Trusted Partner of many evaluation agencies from US and Canada. (NACES & AICE members from the US. CES, IQAS & ICES from Canada.)
- Immigration Consultants.
